6. General Business

- i. Nick Jennings noted the recent cuts to the DoC. Suggestion to have spearhead initiative to get Wellington tramping (and outdoors) clubs? Nick was not sure of if people in the club had the equipment to carry out maintenance.  
Nick suggested that future funding of DoC would need to have international visitors paying a premium to help to support the conservation estate.  
Sharron noted that the club already had representative on the local track and hut committee  
Illona noted that in the future, DoC would likely seek more volunteer help, and that any such help from outdoors clubs would not be refused due to ongoing funding pressures from “Vote Conservation”.
- ii. Noted the thanks of the LandSar organisation from Marie Henderson to the club and its membership
- iii. Illona thanked the outgoing committee for their work over the past 12 months.
