Search and Rescue (SAR) Advice

Overdue Trips

Each club overnight trip is allocated a contact person to provide an important point of contact for family/ flatmates et. The contact person holds the details of each group's intentions and a list of punters on the trip. Family/ flatmates etc. should first contact that person if they feel concerned when a trip member of party is overdue. Trip Leaders must ensure that a call is made to the contact person when an overdue party is out, or that a courtesy call is made when everything is running as planned
